

About the Ministry Base

Go Missions to Mexico's Ministry Base is located about four hours south of San Diego in Baja California, Mexico and is accessible via good, paved highways. The Mission Base is safe, secure and located in the perfect setting to rest and relax after a fulfilling day of activities. There are miles of close-by beaches that are clean, sandy, and little used. The area in which you'll minister is called the Valley of San Quintin. It's about 50 miles long and has a population of about 300,000. It is mainly agriculturally based and has its share of poverty. There are roughly some 50 communities and towns in the valley, with about 175 churches.

What will you do on your short term mission trip to Mexico?

You'll minister at a specially chosen church (alongside Mexicans) the week you're in Mexico. Through this church you'll do your ministries & outreaches. By strengthening and working through the local church, your fruit will remain long after you're gone. This philosophy of ministry ensures maximum fruit and impact.

In the mornings we offer two special ministry options for you to be involved in:

Work Projects - This is a great way to serve by improving needy church facilities. By helping churches with their buildings, and by helping new churches we're planting, you're participating in true and lasting results for the people of Mexico.

Evangelism/Prayer/Visitation Ministry - We offer the rare treat of participating in a visitation/prayer ministry where you'll visit the homes of Mexicans to see how they live, see their culture up close, pray, minister and share the love of Christ with them.

You'll be able to be involved in both ministries during the week if you'd like.

For lunch you'll have the option of eating at the church you're serving with. This is a highlight as the meal is prepared by the ladies from the church and is really tasty. You'll not want to miss this special treat. Normally mission teams eat meals Sunday Evening (after Outreach & VBS) and Monday – Thursday lunches. It's a great way to experience the culture and food of Mexico!

In the afternoons we also offer two options for ministry: (1) Most of your team will do a Vacation Bible School Outreach. This is a "hands-on" time of ministry with Mexican children ranging in ages from 3-12. You'll play games, sing songs, do a puppet show, participate in a Bible Story, and do crafts & snacks. It's a favorite for all. We provide the VBS program so preparation is easy.

(2) Others can continue working if they'd prefer. We also offer a Youth Focus Tract in addition to VBS's if your team would like to work with the teens of Mexico as well.

Several evenings during the week you'll participate in Community Outreaches. You'll sing, share testimonies, do a puppet show, show an evangelistic movie (provided by us) and more. Be prepared to be touched by the Mexican people you'll serve.

We also have close-by beaches that are sandy and little used. You'll have plenty of free time for this rich treasure so plan accordingly.

In addition to ministry, you'll have the opportunity to see and experience another culture up close. *You'll be immersed in the culture, language and people of Mexico.*

You'll also have plenty of free time, along with a free day on Friday, to go to the beach, shop, eat out, and have your own group activities and more.
